

LABORATORY CERTIFICATION DOCUMENT

Site 105 — NCH Tokyo, Japan | Zone 5 — Lab Documentation

Lab Name	NCH Clinical Diagnostics Laboratory
Address	4-1-1 Ogawa-Higashi, Kodaira, Tokyo 187-8551, Japan
CLIA/Accreditation	CAP Accreditation No. JP-LAB-2024-1105 ISO 15189:2012
Study	ABC-2201 Study XYZ Phase III
Site	Site 105 — NCH, Tokyo, Japan
Certification Date	01 March 2024
Expiry Date	28 February 2025 (EXPIRED)
Document Class	Zone 5 — Lab Documentation / 05.05 Lab Certification
QC Status	CRITICAL — Lab Certification Expired. Accreditation document missing.

LABORATORY ACCREDITATION DETAILS

The NCH Clinical Diagnostics Laboratory is accredited by the College of American Pathologists (CAP) and certified to ISO 15189:2012 standards for medical laboratories. The laboratory performs all central and local safety laboratory assessments for clinical trial participants enrolled at Site 105.

Normal Reference Ranges	On file — Validated against study central lab (MedLabs Global)
Certification Scope	Haematology, Clinical Chemistry, Coagulation, Immunology, Urinalysis
Quality Control	External QC scheme participation: RCPAQAP, EQAS-Japan
EQA Participation	Annual — Last assessment: October 2024 — Result: Satisfactory
Lab Director	Dr. Keiko Fujimoto MD PhD, Pathology

CRITICAL FINDING: Lab certification expired on 28 February 2025. Missing accreditation renewal document. All lab results generated after this date may be inadmissible per ICH E6(R2) guidelines. **ACTION:** Obtain renewed CAP/ISO certification immediately and file in eTMF.

ALCOA+ QC ASSESSMENT

ALCOA+ Criterion	Result	QC Note
Attributable	FAIL	CRITICAL: Lab certification expired — attribution of results post-expiry is invalid.
Legible	PASS	Document legible.
Contemporaneous	PASS	Document upload timestamp acceptable.
Original	PASS	Original certification verified.
Accurate	PASS	Lab details match study setup records.

Complete	PASS	Original cert complete — renewal document absent.
----------	------	---

QC SCORE SUMMARY

Completeness (×40%)	Timeliness (×30%)	Quality (×30%)	Weighted Score
100.0%	100.0%	83.3%	95.0%

Status: AT RISK — Attributable FAIL. Lab cert expired. Renewal required.
